

10 years „Lad's Red Charmer“ at Wiesmann family

In occasion of „10 years Lad's Red Charmer at Stroblhof“ Mr. Anton and Mrs. Antonie Wiesmann presented a beautiful photo-book to us - with fantastic images - documenting Mrs. Wiesmann's close relationship to "Charmer".

Here some examples:

A trail-ride in Arizona laid the foundation for the enthusiasm for the race and was the occasion to look for their own Missouri Fox Trotting Horse. Just a few weeks later Anton and Antonie bought the mare „Charmer“ from our farm. In the picture Anton and Antonie Wiesmann with Lothar Rowe from Miller Ranch/Arizona.

Many thanks again and the best wishes for many years in happiness and health with Charmer!
