

Hans Ollmann mit „Smokey“ - High Point Champions 2009!

European High-Point Championships of the Missouri Fox Trotting Horses

Horses from Germany, Austria, Switzerland, Spain and France participated in the shows. The horses were shown in the model-holder classes in the breeding performance classes in the gait classes, as well as in the typical Western classes such as Trail, Reining and Horsemanship. After the tournament in Baden-Wuerttemberg and Brandenburg, the final tournament was held in 2009 Hawangen / Allgäu, August, 7 – 9.

In this tournament, the High-Point-Champion 2009 of all 3 tournaments was determined.

Hans Ollmann with stallion "Ol. Perfection's Smokey Cloud" could decide both the overall standings as well as the 3-Gait-classes for himself.

Hans Ollmann also became High-Point Champion 2009 as best rider. Congratulations!

It was a successful event of the EMFTHA in a very good atmosphere, characterized by fair and sporting conduct of participants - an advertisement for the Missouri Fox Trotter in its appearance, versatility, and their specific gaits.
