

## Besuch bei „Ramona“ und „Hillary“

During our vacation in Bad Hofgastein we took a small side-trip visiting „our“ mares Ramona and Hillary in Bad Gastein, which we sold last year.

Their owners Thomas and Rosina Tscherne have erected a stable near their forester's house where the horses are kept together with a Haflinger gelding.

Many thanks to Rosina and Thomas for the wonderful afternoon - we were very happy to see you and the horses again!
