

Three great days in the riding-region Mühlviertler Sterngartl

Heli from Styria (A) with his gelding „Rico“ from Pferdehof Ollmann and his friends spent three days at our farm. „Rico“ belongs to Heli for about 1 1/2 years.

Heli from Pferdehof Ollmann led his guests to a different destination each day. After a rainy first day, the group was rewarded with beautiful late-summer-weather the following days.

„It were the nicest rides, we've ever done“, they were enthusiastic as they departed.
